Annual Title I Parent Meeting

Dear Parents & Guardians of Title I Students,

Waterford Township will be holding its Annual Title I Parent Meeting on Tuesday October 10th at 7pm in the Waterford Elementary School Library. We ask that all parents of Title I students come out to hear about district intervention programs, the new Standards Based Report Cards and become actively involved in a Title I Parent Committee.

A copy of the agenda is included on the reverse side of this letter. In order for you to be able to plan for child care, we will be staying on schedule and ending our meeting at 8pm. Of course for those parents or guardians who have questions, staff will be available afterwards to provide answers or guidance.

Thank you in advance for your commitment to your child's education and participation in this important meeting. With strong parent involvement, we can build a community of learners who are ready for the future.

Sincerely,

John Lavell
Supervisor of Student Services
